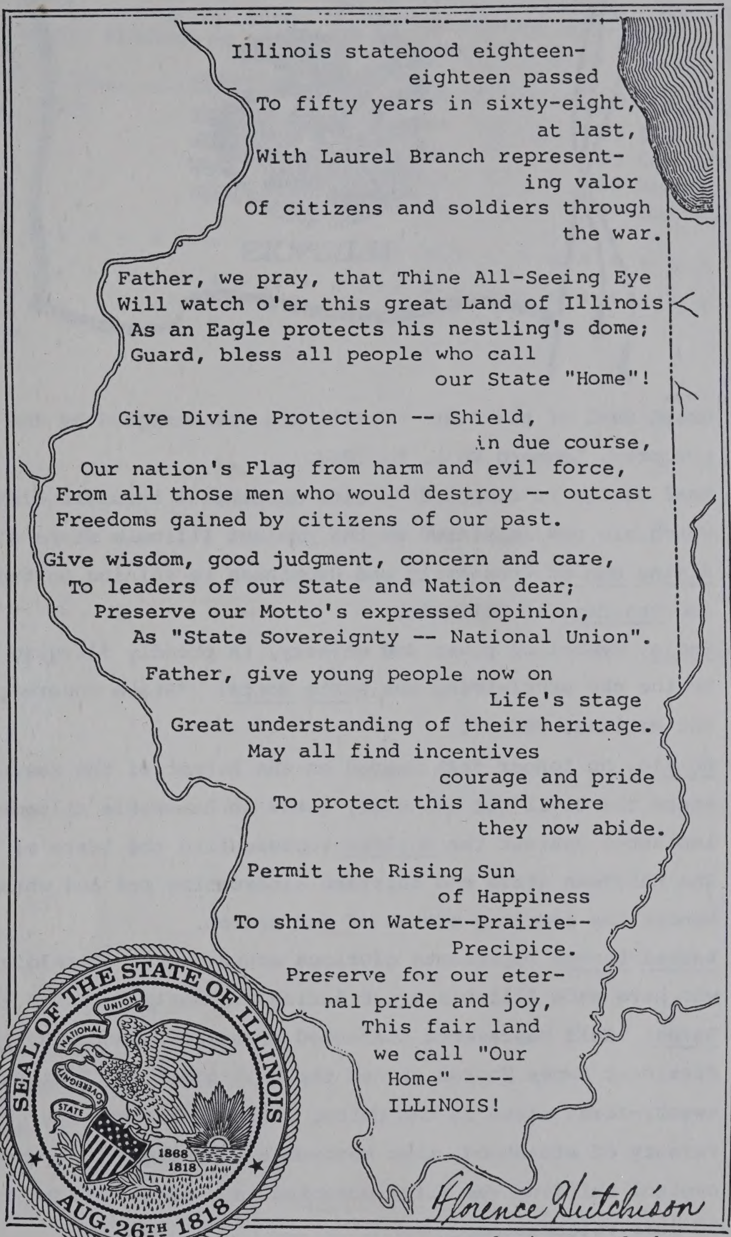
THIS FAIR LAND WE CALL "OUR HOME" -- ILLINOIS!



Illinois statehood eighteen-
eighteen passed
To fifty years in sixty-eight,
at last,
With Laurel Branch represent-
ing valor
Of citizens and soldiers through
the war.

Father, we pray, that Thine All-Seeing Eye
Will watch o'er this great Land of Illinois
As an Eagle protects his nestling's dome;
Guard, bless all people who call
our State "Home"!

Give Divine Protection -- Shield,
in due course,
Our nation's Flag from harm and evil force,
From all those men who would destroy -- outcast
Freedoms gained by citizens of our past.

Give wisdom, good judgment, concern and care,
To leaders of our State and Nation dear;
Preserve our Motto's expressed opinion,
As "State Sovereignty -- National Union".

Father, give young people now on
Life's stage
Great understanding of their heritage.
May all find incentives
courage and pride
To protect this land where
they now abide.

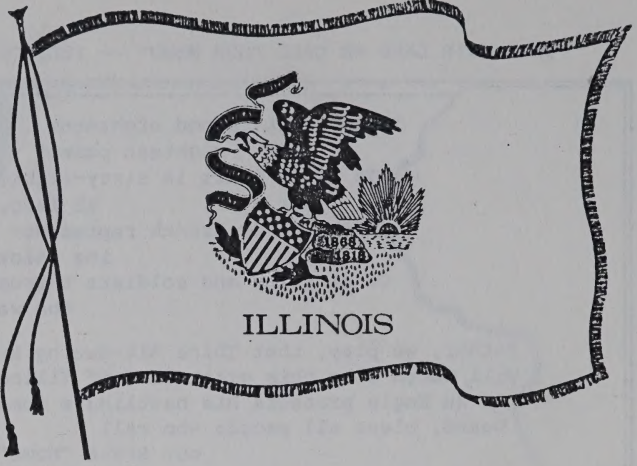
Permit the Rising Sun
of Happiness
To shine on Water--Prairie--
Precipice.
Preserve for our eter-
nal pride and joy,
This fair land
we call "Our
Home" ----
ILLINOIS!

AUG. 26TH 1818

Florence Hutchison

Re-designer of the
Illinois State Flag
of July 1, 1970.

THE EMBLEMATIC MEANING OF THE GREAT SEAL OF ILLINOIS ON THE STATE FLAG



The Great Seal of the State of Illinois was designed by the renowned sculptor, Leonard Volk, by 1867.

The Seal Design is composed of nine meaningful heraldic elements which are now imprinted on the present Illinois State Flag.

The Rising Sun of Prosperity and Happiness is shining on the Waters and Prairies of Illinois.

The Eagle, symbol of power and majesty, is proudly flinging his baldric to the sky proclaiming the State Motto: "State Sovereignty and National Union".

The Shield, no longer felt needed on the breast of the Eagle since the Civil War was over, leans in honorable tilted position implanted against the Boulder representing the State of Illinois. The thirteen stars and thirteen alternating red and white stripes honors the founding states of our nation.

The Laurel Branch represents glorious achievements of soldiers and citizens who have made Illinois great during its early years of existence.

The Dates: 1818 represents statehood achieved December 3, 1818 when President James Monroe signed the bill admitting Illinois as the twenty-first state in the Union. 1868 represents the golden anniversary of statehood, that memorable year when the present state capitol building was first occupied as a planned part of the 50-year celebration.

The Great Seal, authorized by the Assembly March 7, 1867, was first imprinted on a legal document by Sharon Tyndale, then Secretary of State, October 26, 1868.
